

Your willingness to learn and
to grow will have direct results
in your success

Leader in bilingual corporate education

Sii • Center for Advanced Learning

OUR VISION:

All of us have the seeds of LEARNING. It is what we do with them that matters. Seminarios Imagen, Inc. (Sii) is committed to providing the best education resources, tools and learning dynamics to help your seeds of learning achieve professional and personal development.

OUR PHILOSOPHY:

The key to empower and inspire business professionals to create lasting impact, is by providing them practical & ready to apply knowledge and information; balanced with emotional and interpersonal skills that can help them tackle real-life business and personal situations. **Sii** provides the highest standards in **advanced learning** for individuals and corporations in **English and Spanish**.

OUR OFFERING:

From **Change Management** to **Six Sigma**, or **Effective Public Speaking** to large international speaker public events like **Jack Canfield's** on **The Success Principles** or **Ken Blanchard** on **Leadership**. **Sii** will custom-design, develop, and produce the most comprehensive and cost effective high-impact events, seminars, workshops or webinars for your organization.

Sii, offers annually over 200 corporate, and public events, seminars and workshops in Puerto Rico, Latin America, US and Canada.

Our admired world-class resources and speaker data bank is rigorously maintained with the most current topics in business, professional development and personal and spiritual growth.

We offer certifications, pre-certifications and continuing education for government institutions and professional organizations.

Sii is the leader in the development and production of costumed technical and business in-house workshops and seminars.

Web • Minars®

Sii's Web Seminars Solutions will help you optimize your in-house training, design an effective user experience and integrate your company's learning initiatives in the simplest form, while meeting your educational goals.

Whether we are producing costumed Web . Minars® for your firm, or you are using our wide range of produced Web .

Minars®, Sii will plan, produce and implement an optimum program.
